DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 1. MARYVILLE, MISSOURI, WEDNESDAY, MAR. 29, 1911 NO. 250.

ELECTION IN POLK

DEMOCRATS ELECT FIVE AND REPUBLICANS SIX.

LIGHT VOTE WAS CAST

Rowley Re-Elected Trustee, Westfall Collector and Hamlin Assessor —Rest of Ticket.

The Ticket Elected.

Trustee—Burt M. Rowley, R.
Assessor—Ed F. Hamlin, D.
Collector—Henry Westfall, D.
Constable—Richard Snyder, R.
Justices of the Peace—S. B. Arnold, R.; W. L. Johnson, D.; John Halasey, D.; C. D. McKibban, R.; Al Croy, R.
Members of Township Board—Al Heflin, D., and Charles L. Garrett, R.

The above is the ticket elected at the election held in Polk township Tuesday, the total vote cast being 1,127. This is a light vote for this township. Interest in the election was not very intense, and owing to the farmers being busy not many voters cast their ballots.

Burt Rowley for trustee led the Republican ticket, and W. L. Johnson, the Democratic ticket, with Henry Westfall following close behind.

The election table will be found elsewhere in this issue.

News of Society and Womens' Clubs

To Meet April 6.

The W. F. M. S. of the First M. E. church will meet at the home of Mrs. M. Rittenour, on Lawn avenue, on Thursday afternoon, April 6, instead of March 30, as previously announced.

Foreign Missionary Society.

The Woman's Foreign Missionary society of the First M. E. church will meet with Mrs. M. M. Rittenour on Lawn avenue Thursday afternoon, April 6, instead of March 30, as previously announced.

Gave Card Party.

Miss Nell Campbell entertained informally Tuesday evening in honor of Mr. and Mrs. F. N. Scott's guests, G. R. Caldwell and Virgil Caldwell of Kansas City, who are Mrs. Scott's brothers. On Monday evening Miss Kitty Grems entertained the same company.

Guests at Parvin Home.

Rev. and Mrs. S. Raub of Barnard were Tuesday dinner guests of Mrs. W. J. Parvin. Rev. Raub is pastor of the M. E. church, South, at Barnard and Wilcox, and they were returning home from the Wilcox appointment. Rev. Parvin is still at Salisbury, successfully engaged in a protracted meeting.

Entertained Students.

Miss Alice Keeler of the high school faculty entertained her class in English after school Tuesday evening. The class has been studying "Hamlet" for some time, and for Tuesday's lesson Miss Keeler asked each member of the class to take a quotation from "Hamlet" and make a drawing to illustrate it. A prize, a picture, presented to the student making the best drawing went to Charles Kane. The hostess gave favors of hand-painted pansies, containing appropriate quotations. Miss Keeler was assisted in entertaining by Miss Elsie Liggett of the domestic science department, who served refreshments of chocolate and wafers. Before the departure of the class some unknown friend sent a box of bon bons labeled "Sweets for the Sweet," that was much enjoyed by all.

Twentieth Century Club.

Mrs. Leslie Dean was hostess to the Twentieth Century club Tuesday afternoon. The subject was "Music in the Sixteenth Century." Responses to roll call were "Early Italian Musicians." Three papers were read, one on "Palestrina and the Roman School," by Miss Jessie Parcher; another by Mrs. Will Wallis, Jr., on "Rise of the Opera in the Seventeenth Century," and the third, "Origin of the Oratorio," by Miss May Orear. Miss Marie Jones then gave a program of "Old Time Music," with accompaniment by Miss Birde Shelton, that was truly delightful. The numbers were "Camilla," by Curtis; "Lost Happiness," by Mutile, and "I Know that My Redeemer Liveth," from the Messiah, by Handel. At the close of the program Mrs. Dean invited her guests to remain for a social hour, and served dainty refreshments to them. The next meeting of the club will be with Mrs. Vilas Martin, the 25th of April.

Pleasant Surprise.

A very pleasant surprise and handkerchief shower was given at the country home of Mr. T. L. Goff, west of Barnard Saturday evening, March 25, it being the occasion of Mrs. Goff's and Miss Susie Ryan's birthday. The evening was spent in various games and music, which was enjoyed by all. Many beautiful handkerchiefs were received. A three-course luncheon was served, after which the guests departed wishing their hostesses many happy returns of the day. Those present were Mr. and Mrs. N. E. Hartman and family, Mr. and Mrs. L. E. Galbraith and family, Mrs. Avis Ryther, Mr. and Mrs. B. N. McGrew, Mr. and Mrs. Emmett Goff and family, Mr. and Mrs. James B. Burr, Mr. and Mrs. Joe L. Robertson and daughter, Thelma; Mr. and Mrs. Frank Helzer, Mrs. Lula Gray, Mr. and Mrs. Leonard Miller, Mr. and Mrs. Berry Miller, Mr. Charles McGrew, Misses Emma Eaton, Birdie Wilson, Allie Thrasher, May Dougherty, Ruth Turner, Bertha Davis, Edith Hayworth, Mattie, Dora and Minnie Orrick, Mamie Alkire, Beatrice McGrew, Messrs. Hal Turner, Everett Davis, Joe Eaton, Fred Goff, Arthur Dougherty, Ray Davis, Ross Miller, Loren Moore, Ray Thrasher, Leslie Davis, Joe Crouse, Ernest Stuart, Jimmie Thrasher, Samuel Hayworth, Harry Kiser, Elmer Thrasher, George Colvin.

Entertained Classes.

Members of the Amoma, Agoga, Berean and Philathea classes of the Baptist church Sunday school, taught by Rev. Lee Harrel, F. W. Olney, Mrs. Olney and Miss Katharine Helwig, were entertained Tuesday night at the home of Rev. and Mrs. Harrel, in honor of their guest, Miss Ruth Perry of Plattsburg, Mo. Guessing contests, charades and various games were the amusements of the evening, after which dainty refreshments were served.

Those present were Mrs. Stella Epperson, Mr. and Mrs. J. H. Anderson and little daughter, Orell; Misses Katherine Helwig, Viva Cloud, Eunice Gartin, Carrie Snell, Frances Miller, Mabel E. Hunt, Vernie Clark, Lural M. Pittsman, Flora Peery, Mabel Jenkins, Eliza Hise, Laura Adams, Ora Quinn, Bernice Sheridan, Ruth Ramey, Sebee Rowley, Laura White, Birde Shelton, Gussie Spickerman, Eva Spickerman, Helen Burris, Mabel Miller, Nora Adams, Marie Jones, Lois Johnson, Serena Wasson, Sara McMatser, Carye Garbe, Gladys Egger, Edith Cnaday, Carrie Ross, Ethel Breeden, Mattie Misemer, Marcia Messenger, Messrs. Chester Harrel, Ursie Crockett, Frank McKee, Wood Forcade, Orlo Quinn, Harry Epperson, John W. Davis, Paul Denny, Ray Cook, G. B. Holmes, Jr.

Dougherty-Martin.

A quiet wedding took place Wednesday afternoon at 2:30 o'clock at the parsonage of the First M. E. church, when Lloyd E. Martin of Quitman and Miss Theo Dougherty of Skidmore were united in marriage by Rev. J. S. Ford, the pastor. The ceremony was witnessed by the bride's sister and her husband, Mr. and Mrs. Clarence Sharp.

On Tuesday afternoon Dr. Ford united in marriage Samuel M. Icke and Miss Sadie E. Lawson, both of Barnard.

Moore-Garrett Wedding.

Miss Nina Katharine Garrett, eldest daughter of Mr. and Mrs. Jefferson Garrett of South Market street, and Charles C. Moore, youngest son of Mr. and Mrs. John Moore of North Main street, were quietly married Tuesday evening at 8 o'clock at the First M. E. church parsonage, by the bride's pastor, Rev. Dr. J. S. Ford. The happy young couple left Wednesday afternoon for the bridegroom's farm, nine miles east of Maryville, where they will make their home. Their marriage has been expected for some time by their friends, but it came at last as quite a surprise to them. Both have grown up in our town and have many friends among old and young, who will extend to them kind wishes for future happiness and prosperity. The bride is an accomplished musician and singer, and has since childhood appeared in musical entertainments given by the various churches, particularly at the First M. E. church.

Guests at "Cedar Lawn."

Mr. and Mrs. Thomas Hutchisen, Mrs. Stella Epperson, Misses Ethel and Clara Epperson and Miss Ailene Kemp were Sunday dinner guests of Mr. and Mrs. Henry Wells at their home, "Cedar Lawn," ten miles south of Maryville.

Entertained Nephew.

Dr. Charles P. Luce and family entertained at dinner Sunday his nephew, George M. Taylor, a young business man of Chicago, who was en route to the Pacific coast country on business.

Addressed Students.

Superintendent C. A. Hawkins addressed the students at high school assembly Monday, and read to them an excellent article from The Outlook on "Business Reliabilities."

JAS. MUNTZ INJURED

MET WITH AN ACCIDENT WEDNESDAY MORNING.

THROWN OUT OF BUGGY

Horse Scared and Ran Away, Upsetting the Buggy—His Injuries Are Not Dangerous.

James Muntz of East Second street, the rural route mail carrier of route No. 3, met with an accident Wednesday morning that will keep him at home several days.

His route leads east on the state road. While putting the mail in the box at the home of Frank Trusty, three miles out, the bridle on the horse he was driving caught on the mail box and came unfastened, which frightened the animal and he ran away.

Mr. Muntz was thrown out of the mail wagon a few yards from the Trusty home and was bruised and cut about the head and face, his nose getting the most of the bruising. He was carried into the house by Mr. and Mrs. Trusty in an unconscious condition, and remained so for an hour or more.

Dr. J. H. Todd was summoned and dressed Mr. Muntz's wounds and brought him to his home in his buggy, lying on a stretcher.

Mr. Muntz's wounds are very painful, but not serious, and his physician thinks he will get along all right.

The runaway horse ran three miles before he was caught. The mail wagon was not injured, nor the mail lost.

OKLAHOMA "HOPE" WON IN SIXTH ROUND

With a vicious right to the point of the jaw, which followed a left to the same point, Carl Morris sent Mike Schreck of Cincinnati to the canvas to be counted out by the referee in the sixth round at Sapulpa, Okla., Tuesday afternoon, before a human sea of ten thousand people who packed the big open air arena built for this fight.

Morris, a giant, with the strength of an enraged tiger, hits like a trip hammer. Although not a finished fighter, he surprised even his most ardent admirers by the vicious blows landed, which were well timed and went straight to the mark. He surprised Schreck time after time with a left upper cut and a right punch which did damage in every round. He is a much better man than the jokester would have you believe.

Miss Anna Meyer, who has been making her home with Mr. and Mrs. George B. Baker for the past five years, left for the home of her parents, Mr. and Mrs. Henry Meyers, of near Clyde, Wednesday, where she expects to remain.

A MISSIONARY EXPOSITION

CHICAGO PLANS MAMMOTH MEDIAEVAL PAGEANT.

Two Years Will be Required to Perfect Arrangements and 12,000 Lecturers Will be Employed.

Chicago, Mar. 29.—A pageant of the mediaeval period as a means of instructing and arousing the interest of the young in religious matters will be one of the features of a mammoth missionary exposition to be held in Chicago sometime during the spring of 1913.

At a meeting of clergymen and laymen, representing every denomination embraced in the Chicago Church Federation council, held in the Hamilton club it was decided that the exposition should be held and a committee was appointed to make all arrangements.

The Chicago exposition will be the second of the kind ever held in America. An expenditure of more than $100,000 and the services of more than 12,000 lecturers will be required to give instruction concerning the work, now being done, and now needed in foreign lands. The work of planning and carrying out the exposition will be in charge of A. W. Gardiner of London, who has had charge of several expositions of this sort in England.

The purpose of the exposition is to popularize the subject of foreign missions among the laity, especially the young members of the churches. Two years will be required to perfect plans for the undertaking. Twelve thousand young men and women will be asked to make thorough studies of some phase of the mission subject, and these lecturers, or "stewards," will impart their knowledge to visitors.

MASS MEETING FRIDAY EVENING

A mass meeting will be held at the court house Friday evening at 7:30 o'clock to nominate three school directors. The terms of W. A. Blagg, W. H. Crawford and L. C. Cook will expire at this time.

PRESIDENT TAYLOR TO GO TO NEBRASKA

President H. K. Taylor leaves Friday evening for Oxford, Neb., where he will meet a candidate for the position of manual training instructor in the Normal. The gentleman applying for the place is from Greeley, Col.

REPORT TO BE MAILED NEXT WEEK

A complete report of the seed corn test will be mailed to the farmers the first of next week. A gratifying number of specimens were sent in and a most careful test has been made by the agricultural department of the Normal.

"TWELFTH NIGHT" AT EMPIRE FRIDAY

Friday evening will see the Northwest Normal Dramatic club in one of Shakespeare's most delightful comedies, "Twelfth Night."

The reason for selecting this play for the dramatic club's annual production is two-fold: First, it gives the members of the club opportunity to study in an entirely different field than heretofore; and secondly, a different point of view from the actors' standpoint, as the play is to be produced in olden style, holding as closely as possible to the scheme that Mr. Ben Greet and company used in all of their Shakespearean productions. The lack of breaking the atmosphere of the play by curtain, music or change of scene is an unusual experiment.

The cast has been working hard for the last six weeks and are now ready to appear before the audience in a real Shakespearean comedy.

ON VISIT TO SICK SISTER AT BOLCKOW

Mr. and Mrs. J. A. Carmichael, living four miles east of Maryville, went to Bolckow Tuesday evening for a few days' visit at the home of Rev. Dr. and Mrs. J. T. Hanna of the Baptist church there. Mrs. Carmichael and Mrs. Hanna are sisters and Mr. Carmichael and Dr. Hanna are cousins. Mrs. J. A. Ryther of Stillwater, Okla., a sister of Mrs. Carmichael and Mrs. Hanna, is at the Hanna home quite sick, where she was brought a few weeks ago by her sisters, who went to Oklahoma and brought her to Bolcgow. She is being treated by Dr. Hanna, who is a successful physician as well as a minister, and is engaged in practice with one of his twin sons.

LOVING CUPS IN LIBRARY AT NORMAL

The loving cups which were placed in the custody of the Normal school a week ago last Saturday will be placed in permanent depository in the Normal library this week. By the terms of the bequest the cups are to be kept by the Normal school. Each year the successful schools in the contest will be presented a pennant to be placed in their own building. Duplicate pennants will be placed in the glass case with the cups for that year.

GAVE INTERESTING TALK AT NORMAL

Dr. V. V. Adams, assistant surgeon of the Kansas State Soldiers' Home at Fort Dodge, gave a very interesting talk to the Normal students this morning. He spoke of the way in which the government cares for its old soldiers, of the excellent food and shelter provided, and of the characteristic way in which these old people live and receive their care and attention.

Returned from Indiana.

Mrs. George H. Colbert and son Ned returned Tuesday morning from Anderson, Ind. They have been visiting at various points in Indiana and Ohio for the past five weeks. Mrs. Colbert's father, Dr. V. V. Adamson, of Ft. Dodge, Kan., is visiting her for a few days.

A LAST CHANCE FOR GUTHRIE

The Capital Removal Case is up Before the United State Supreme Court.

Washington, Mar. 29.—The fight over the removal of the capital of Oklahoma from Guthrie to Oklahoma City began in earnest in the supreme court of the United States when Guthrie's claim was presented to the court in a printed brief. Both sides are to argue the case orally next week.

The six lawyers appearing for Guthrie contend in the brief that the act of the Oklahoma legislature removing the capital from Guthrie is unconstitutional because the enabling act of congress under which the state was admitted to the Union, provided that the capital should remain at Guthrie until 1913. They deny that the legislature had power to make null and void the capital provision in the enabling act.

"If the decision of the supreme court of Oklahoma declaring the provision of the enabling act null and void is sound," they say, "then it must follow that the people of the state of Utah are not bound by their solemn compact that they will forever prohibit polygamy in that state.

AN OKLAHOMA SAND STORM

A Strong Wind Sent the Dry, Sandy Soil Flying Through Air Like Snow.

Oklahoma City, Ok., Mar. 29.—The second sandstorm of the season swept over Oklahoma City being driven by a strong wind from the north. It began at midnight and by noon the wind had reached almost the velocity of a tornado.

Sand was so thick in the air that buildings and other objects a short distance away were invisible. Business was almost at a standstill while the storm raged. The storm is said to have been worse at other places than here.

The first sandstorm of the season came Sunday and continued all day. No particular damage is done at this season, compared with the later sandstorms, which cut young corn off at the top of the ground, making it necessary to replant. The present storm may do great damage to wheat. All over the state the wheat fields are dry and the wind is lifting the sandy soil from around the roots. If it is followed by a rain the damage may be slight, but otherwise the wheat will be killed by the drouth.

New Bridge to Cost $400,000.

Atchison, Kan., Mar. 29.—Blue prints received for the proposed McKinley bridge across the Missouri river here call for a structure to cost $400,000. while the McKinley syndicate, which controls numerous interurban electric lines, is promoting the new pridge, several steam railroad companies have become interested in it, on account of the excessive toll charged by the company owning the present bridge here.

Green Bugs Damage Crops.

Oklahoma City, Ok., Mar. 29.—Word was received by the state board of agriculture from Prof. C. E. Sanborn, state entomologist, who has just returned from an inspection of "green bug" damage in eastern Oklahoma, stating that the insect damage had been very general in the eastern part of the state(extending also into Kansas and Texas. He estimates that in Cherokee county the damage will reach 25 or 30 per cent.

PRESIDENT TAFT TO TELL CONGRESS

With His Advisers He is Preparing the Story.

OF THE MOVEMENT OF TROOPS

The Latest Reason Advanced is That Strict Censorship Prevented Knowledge of Actual Conditions.

Washington, Mar. 29.—A very comprehensive censorship on the news affecting the international affairs of Mexico, just prior to the ordering of the division of the United States troops practically to its border was said here to be the principal factor in the mobilization of the division of 20,000 men. This censorship was so strict that, it is said, Ambassador Wilson preferred to come to Washington, which he did just before the ordering of the troops and made his report personally to the president and Secretary of State Knox.

Such a censorship, even though it was justified from the Mexican view point, had the effect of creating a barrier between Mexico and the United States which screened effectively the condition and status of American citizens from the official views of the United States.

Ready for Prompt Action.

The only way that was left to the United States to be in position to find out promptly what was the status and measure of protection for United States citizens and their property was to send a large body of troops which would make immediate personal military observation practicable the moment it became necessary.

The administration expects of course, that the approaching congress will want to know precisely why such a large body of troops was ordered to the Mexican frontier. The president, therefore, has been advising with senators, notably Senator Lodge, Senator Cullom, William Alden Smith and others who will have to resist the assault of critics of the president's Mexican policy. The senators named were with the president but no official announcement was made of the declarations made by the president as to his specific purpose in sending a division of troops to watch the frontier.

Reports From Ambassador Wilson.

It is known that the president through the state department has received reports from Ambassador Wilson at Mexico City and it is conjectured that it was largely because of these reports that the president took up the question with the senators.

The news from Mexico is that the new cabinet is an effective step towards resumption of peace, because the personnel of the new cabinet bespeaks ability, youth and freedom from the political factions which are ruling affairs. The report is gaining ground among officials here that President Diaz will abdicate but that he desires to abdicate only in time of peace which shall have been brought about by his own efforts and by his new cabinet. It is understood that one of the main hopes of peace in the near future is that Gen. Reyes will consent to act as minister of war. The popular personality of Gen. Reyes and the belief among all classes that he will resume his effort for reform seem to be an assurance that President Diaz acted wisely in the selection of this soldier diplomat.

There was an unconfirmed rumor during the conference on Mexico at the White house that the reports of ambassador Wilson received at the state department were not as reassuring as they were interpreted by the officials for the public. One definite report from the department was that existing conditions in Mexico were inducing a great many Americans to leave the country.

BIGGEST TRUST IN THE WORLD

Department of Justice Claims to be on Trail of Father of Them all.

Washington, Mar. 29.—Criminal prosecutions against many powerful financiers will be begun soon, it was learned following a secret investigation of what the department of justice officials declared to be "the biggest trust in the world."

Agents of the department are reported to have evidence of $1,000,000,000 combination involving the Pennsylvania railroad and organized to control the entire anthracite coal output of the United States. For years it is claimed the combine acting secretly has used its power to extort enormous profits, while throttling competition by wihholding cars from coal operators not in the trust.

A Mexican Burned in a Car.

Girard, Kan., Mar. 29.—A gasoline stove in a boxcar used by Mexican section men in the Atchison, Topeka & Santa Fe railroad yards exploded and the car was destroyed. Isadore Baugas was so badly burned that he died, and Tranquilius Michael probably will die.

Mrs. Roy Miller returned to her home in Barnard Tuesday evening, after a brief visit with her sister, Mrs. U. I. Wilson.

THE BEST IN WOMEN'S SUITS, COATS AND DRESSES

A Before-Easter Suit Event at $25

Values That Have Seldom Been Equaled

THIS Before-Easter Event marks the end of a series of carefully made purchases under conditions most favorable to us. By adding only a very small profit margin we are enabled to give our patrons these remarkable values in new Easter Suits. So well made and so carefully tailored are they that you would expect to pay from $27.50 to $30.00 for them.

The greater part of these Suits were personally selected in New York. They represent every late style. They are made of all the favored materials. For instance most of the suits are perfectly plain tailored styles, so much in demand; the jackets are from 22 to 30 inches long; the skirts are plain or pleated—varying from narrow to wide; the collars range from plain to to the embroideried and shawl effects. In fact, EVERY important style is here.

To give you an idea of their beauty we give a short description of four of the most charming models—

—one striking suit is made of a navy blue fancy Serge, with white hairline stripes. It is plain tailored, simple in cut. The gray Messaline Satin lining adds much to the looks and comfort. The collar is plain; the lapels are notched. The skirt is plain with a bias band around the bottom matching a similar band on the jacket. It has patch pockets.

—another suit that many women like is a shepard check in the popular black and white effect. The black trimming on the lapels and sleeves, just enough to relieve the plainness, shows the touch of a master designer. The skirt is a very comfortable pleated one. The lining is Belding's Satin in gray. It has a patch pocket.

—one of our most attractive suits is made of clear gray novelty cloth, with a white stripe, in a much-sought plain tailored style. It is lined with Messaline Satin in gray and has side pockets. The plain collar emphasizes the clever lines. The skirt has a panel effect in perfect keeping with the straight lines of the jacket.

—a serge suit that is causing much comment is made of cream white serge with a black hair-line stripe. The collar is of black satin of a novel design. There is a convenient inside pocket in the jacket. The skirt is pleated. Another distinguished looking suit is a cream white tub serge lined with white Messaline Satin. The buttons are white pearl.

$25 Choose your suit at once Our stocks are complete and unusually large. Selections can be made now from better assortments and with more care than during the rush just before Easter. And, then, the altering, if any is needed, can be attended to promptly at the present time. **$25**

SUITS AT ALL PRICES FROM $10 TO $40

Bulgarian Waists in the New Designs

These Bulgarian Waists, with their bold embroideried patterns, were fashioned to wear with the new Spring suits. It is a wonder that Fashion hasn't found them out before since the combination seems perfect.

They are made of long-wearing white voil and are embroideried in conventional designs in coral, blue, American Beauty shades and in black and white. There is a touch of real hand-made Baby Irish lace on the neck and on the sleeves. The sleeves are Mikado, and they have Dutch necks.

Beaded Waists

Waists with beaded designs are to be much worn, so say the best authorities. Our showing is very complete. One smart waist is of white voil and is nearly covered with white and blue beads in an odd design. Another is made of black chiffon and trimmed with white beads; and then there are white waists trimmed with black or colored beads.

New Dresses Ready for Early Spring Wear

To give a comprehensive pen-picture of the Alderman Dress Store is well nigh impossible. The most critical woman can find much to admire—and nothing to criticise. The stocks are broad and up-to-the-minute in style. The dresses are ready for you to make your selections now. Here are styles for all occasions; reception dresses, party dresses, fancy dresses, street dresses, morning dresses.

The most prominent materials are:

Silks	Voils
Messalines	India Linons
Chiffons	Lawns
Marquisettes	and
Flaxons	Ginghams

Some of the dresses are made in the Empire effect, with a moderately high waist line; others have the regular waist line. The dainty short sleeves and the Mikado effects are both looked upon with favor, and both are equally desirable.

The prices range from $37.50 to $1.75.

Spring-Time Suggests These New Top-Coats

A top-coat is the most useful garment that a woman can buy. To slip over thin dresses, to wear on stormy days—every day it has its uses. To be prepared for the demand we have selected a well-chosen showing of coats which are expressive of well-defined elegance and richness. The wide range of materials and colorings combine to interest shoppers of good taste, who desire one hundred per cent values.

The materials are:

Serges in plain, fancy and hair-line stripes	Tussah Silks
English Tweeds	Pongee Silks
Novelty Cloths	Rajah Silks
Crashes	Ramie Linens
Coverts	Linens and Satins.

The styles are mostly plain tailored. The collars generally give the distinguishing touch; some are of fancy foulard silks or plain and they are cut in sailor, shawl or notched effects. One very smart coat is made of black Satin with colored trimming; others are all black.

The prices are from $35 to $7.50.

REMARKABLE ESCAPE OF N. Y. FACTORY GIRL

Ida Singer, a 17-year-old girl, who escaped from the terrible fire in the New York shirt waist factory, lying at her home suffering from a few minor bruises, has the following remarkable story to tell of her escape while scores of other girls fell to their death.

She was found by the firemen, hanging half conscious to a spike, in the real wall of the building opposite the third floor landing. She had fallen from the fire escape at the ninth floor, but the pointed spike caught in her clothing and saved her life. She said:

"When I first heard the alarm I was paralyzed with fear. I was too weak to run. I half crawled to a back window and I remember I was crying bitterly as I raised a window opening on the narrow fire escape.

"Flames were roaring out of the windows below, but I knew I had to go down the narrow fire escape and climbed out. As I did so I looked back and saw many girls rushing toward the window I had gone through. I was glad they were coming and stopped crying.

"I felt I had to get down ahead of them. The iron steps of the ladder were hot and getting hotter as I went down. I had probably taken three steps downward, when the first of the girls rolled out of the window above me, crashing down on me and I lost my balance and felt myself falling. I remember I was almost glad of it before I lost my senses.

"When I woke up I was in the funniest position. I had to stop and study it out. My hands were down by my feet and I was doubled up. I heard men and women far off shouting and screaming. I tried to move and couldn't. After a long time I heard a voice and a window was opened. Two men got hold of me and took me inside the building. My coat, hat and skirt remained on a big spike in the wall.

"The men wanted to know how I got caught on that spike, and I told them I fell from the ninth floor. In spite of the horror of the situation we all laughed as we thought of it. But I shall never forget what I saw below me when I was hanging on that spike.

"I saw men and women piled up on top of one another. Some were quite still and others were frantically waving their arms and shouting. I saw a girl wiping a man's face with her handkerchief. After a while they all quieted down."

WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away—Maryville People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, kidney weakness may be the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Can Maryville readers demand further proof than the following statement:

Mrs. W. M. Newman, Chestnut street, Savannah, Mo., says: "Doan's Kidney Pills have been of more benefit to me than any other kidney remedy I have ever used, and in view of this fact, I willingly recommend them. I was caused much suffering by pains in my shoulders, and mornings on arising I felt tired and languid. I was also bothered by the kidney secretions. Hearing Doan's Kidney Pills highly spoken of, I procured a box, and soon after beginning their use I was relieved. Another member of my family has also taken this remedy with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Marriage licenses were granted Tuesday afternoon to Charles Curtis Moore and Miss Nina Katharine Garrett of Maryville and to Samuel M. Icke and Miss Sadie E. Lawson of Barnard.

Her Sister is Better.

Mrs. Melvin Duncan returned to her home in Kansas City Tuesday evening. Her sister, Miss Arretta Searcy, who was operated on at St. Francis hospital, is getting along nicely. Mrs. Duncan is the daughter of Mr. and Mrs. A. A. Searcy.

Free Seed Corn for Farmers.

Every farmer of Nodaway county who leaves a dollar during the next two weeks with one of the firms mentioned below for three years' subscription to the Missouri Farmer and Breeder will also receive free a quart of pure bred seed corn, either Reid's Yellow Dent or Boone County White. A quart of seed will plant a quarter of an acre of ground and give you plenty of pure bred seed for next year—seed which will raise fifteen or twenty bushels more corn to the acre. The Farmer and Breeder is Missouri's great new farm and stock journal. It is published in the home of Missouri's great agricultural college, and keeps you in touch with what this fine institution is doing to make farm life more profitable and pleasant. It is edited by Hon. Geo. B. Ellis, for many years secretary of the Missouri state board of agriculture, a man who understands the needs of Missouri farmers better than any other man in the state. This dollar gives you the Missouri Farmer and Breeder for three years, or at the rate of 33 1-3 cents per year, and also entitles you to a copy of the Missouri Farmers' Handbook as soon as it is off the press. If you have a boy this is a good chance for him to get some pure bred seed with which to enter the Nodaway county corn growing contest. Leave your dollar at once with one of the banks or merchants mentioned below and then drop a postal card to the Farmer and Breeder at Columbia, Mo., and state whether you want Reid's Yellow Dent or Boone County White.

NEW MARK FOR KANSAS FARMS

NEVER BEFORE HAVE THEY YIELDED SO MUCH.

Secretary Coburn's Report Shows That Their Wealth Production Climbs Steadily Upward.

Topeka, Mar. 29.—F. D. Coburn, secretary of the state board of agriculture, issued the twenty-second biennial report of the board. In transmitting the report to the governor, Mr. Coburn says:

"Great as have been the returns from Kansas farms in former years, the biennium covered by this report has eclipsed the record of any preceding 2-year period, thereby setting a new standard of wealth production. For the first time in the history of the state the value of farm products and live stock in 1909 passed the $500,000,000 mark, aggregating, to be exact, $532,685,245, or $57,440,414 in excess of 1908, the best prior year. The value of these same items for 1910, however, exceeds those of 1909 by $7,107,789, in spite of a diminishing wheat yield of nearly 20,000,000 bushels, owing to the fact that approximately 2,000,000 acres of the wheat sown was winter killed. Also lower prices for both wheat and corn prevailed in 1910, but the aggregate was greater, principally because of the increase in the value of animals sold for slaughter and the live stock on hand.

"Any mention of the state's agriculture would be quite incomplete wihout emphasizing the value of alfalfa in the husbandman's affairs. In 1891, the statistical birth year of alfalfa, the value of the state's tame hay was $2,068,200. Then there were 34,384 acres devoted to alfalfa. Ten years later its showing had increased to 319,142 acres and the hay product that year was worth $9,380,904. The 1910 report shows 926,192 acres in alfalfa with a tame hay output worth $17,450,735, or more than eight times the value of a similar product in 1891, twenty years before."

TRUSKETT CASE TO THE JURY

The Character of the Defense and Judges Instructions Leave Little Hope for the Accused.

Independence, Kas., Mar. 29.—The case of A. O. Truskett, charged with the murder of J. D. S. Neely, has gone to the jury. The judge's instructions were for murder in the first or second degree.

The defense had not strongly supported the plea of self-defense, and the instructions of the court practically eliminated the insanity plea, so that the defendant would seem to be in for a long term in the penitentiary, whichever way the jury votes.

Bankers Confer With Commission.

Washington, Mar. 29.—The monetary commission entered upon a conference with the members of the currency commission of the American Bankers' association regarding the provisions of the Aldrich currency bill. All of the 16 members of the commission were present except Chairman Hepburn of New York and E. F. Swinney of Kansas City. The conference was informal.

Kansas Farmer a Suicide.

Lawrence, Kas., Mar. 29.—James Charles, a farmer, comimtted suicide by drowning himself in the Wakarusa River. He was not missed until midnight and it was not until morning that his clothes were found on the bank of the stream. The river was dragged and the body recovered. No cause is known for the deed except general depression.

No Encore for Him.

New York, Mar. 29.—An interlocutory degree of divorce in favor of Edna Goodrich-Goodwin, the acress, from her husband, Nat C. Goodwin, the comedian, has been signed by Justice Giegerich of the supreme court. Miss Goodrich is given permission to be married again, but Mr. Goodwin is denied permission to marry during the lifetime of his former wife.

Waterworks Plant Damaged.

Minenapolis, Kas., Mar. 29.—Lightning struck the smokestack of the water plant here Sunday, and a ton or so of bricks fell out of the base. The 65-foot stack is now threatening to fall on the building, pumping is impossible and the town faces a water famine. An expert will determine whether the chimney must be pulled down.

Steamer Crew Needs Help.

D.R.Eversole&Son

Every lady is now interested in buying new Spring goods, either in suppyling her own needs, or in furnishings for the home. We mentioned last week that we were well prepared to supply you with anything you may need in our line. Each department has been well supplied with fresh clean merchandise, with a arge variety of styles and patterns to select from, so that you will find shopping a pleasure here instead of a bore.

New Coats, Dresses and Waists

have arrived this week which many of you have not seen. The styles are right up to the minute in every particular. We show a nice line of serge coats in navy and black, also fancy mixtures at $10.00, $12.50, $15.00 and $20.00. Satin coats at $20.00. If you buy a coat of us the style will be exclusive.

We have succeeded well in securing a good line of wash dresses. We have had many complements on the fact that they fit. We want you to see this new line. Made from ginghams, tissues, percales, and other good washable materials. Prices are very reasonable. We show for the first time Infants', Childrens' and Misses' dresses, ages 2 to 6, 6 to 14, 14 to 20.

Carpets Rugs Linoleums

If you are needing new carpets, rugs or floor coverings we can interest you. The new patterns this season in linoleums are the best we have ever shown. We carry only the best qualities in linoleums-our goods contain no wood pulp which causes linoleum to dry out and crack, but are made of pure cork and linseed oil which insures you against cracking or breaking.

New rugs just received last week. We bought them early but the mills are late in turning out new patterns. We can supply you with all sizes as follows:

18x36	27x54	36x72	6x9
8-3x10-6	9x12	11-3x12	12x13-6

New velvet rugs, size 27x54, good patterns in floral and conventional patterns at $1.35 each.

We have a few patterns in Axminster rugs, size 9x12, all good patterns worth $22.50—better than a Smith Saxony which we wish to close out. Price $17.50

Var-Noleum

This is a preparation to preserve linoleums and oil cloth—also will prevent the figure from wearing off. It gives the linoleum a beautiful lustre and will make it look like new. It saves labor in keeping the floor clean, as it will require a wet cloth to wipe your linoleum with. It will dry over night and not remain sticky.

In Regard to the Hoover Suction Sweeper

THE HOOVER SUCTION SWEEPER, by virtue of its distinctive merits and mechanical features, is not only the most practical and useful cleaner, but the CHEAPEST AND MOST SATISFACTORY for the customer to invest in.

THE HOOVER is more than a "vacuum cleaner",—it is farther ADVANCED. A HIGHER TYPE CLEANING MACHINE perfected by combining the desirable and useful without the disagreeable and damaging features of all other cleaning methods, with many valuable qualities entirely unapproachable by other mechanical cleaners, every one of which depend for results solely on suction and damaging friction, the latter caused by a metal tool being pressed tightly against the floor covering.

THE HOOVER, by means of suction, slightly raises the rug or carpet and while being held off the floor, employs a soft bristled revolving brush, which beats, sweeps and shakes the floor covering, straightening the nap or pile while a strong current of air is being drawn through it from beneath, cleaning a space of 12 inches wide and doing it quickly and thoroughly, without the requirement of proficiency on the part of the operator.

We want you to become fully acquainted with this necessary household utility.

RADIANT HAIR.

Any Woman Can Have It by Using Parisian Sage.

Madam: If your hair isn't just what you would like it to be, why don't you use Parisian Sage.

If it does not put life and luster into the hair and cause it to grow abundantly you can have your money back from the Koch pharmacy.

"I cannot say enough in its favor. Two years ago I lost all my hair, I saw Parisian Sage advertised and thought I would try it. Before I had finished using the first bottle my hair had stopped falling and my head was covered with new hair; also removed all dandruff, and today I have a lovely head of hair.

I think Parisian Sage the best hair restorer and dandruff cure in the world today. It also makes the hair clean, fluffy, and silky, and I would recommend it to every one who wishes a hair restorer and beautifier."—Miss Mary E. Dickson, 287 South avenue, Bridgeton, N. J., 1910.

For men, women and children, there is no hair preparation that equals Parisian Sage; it never disappoints; it does just what the American makers advertised it to do. It banishes dandruff, kills the dandruff germ, stops falling hair of scalp itch, or money back. Sold by the Koch pharmacy and druggists everywhere. Large bottle 50 cents.

George Walker, the contractor, is reported sick at his home on Park avenue.

Charles Gittings of Clyde was in Maryville Tuesday.

THIRTY YEARS OF SUCCESS.

The B. M. Hyde Co. Offers a Remedy for Catarrh—The Medicine Costs Nothing if It Fails.

When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believes us, or at least put our claim to a practical test when we take all the risk. These are facts which we want the people to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his record.

We receive more good reports about Rexall Mucu-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh remedy we would have any demand for.

Rexall Mucu-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membraneous tract, to destroy and remove the parasites which injure the membraneous tissues, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the muco-cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

We urge you to try Rexall Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50 cents and $1.00. Remember you can obtain Rexall Remedies in Maryville only at our store—the Rexall store. The Orear-Henry Drug Co.

AN OLD-TIME PRESCRIPTION

is a modern product. From time immemorial sage and sulphur have been used for the hair and scalp. Almost every one knows of the value of such a combination for darkening the hair and making it grow.

In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready to use product, skillfully compounded in perfectly equipped laboratories. The Wyeth Chemical Company of New York put up an ideal remedy of this kind called Wyeth's Sage and Sulphur Hair Remedy and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

This preparation is offered to the public at fifty cents a bottle and is recommended and sold by

Koch Pharmacy.

Cures Rheumatism; Destroys Uric Acid

The Antidote To Uric Acid Found Gives Remarkable Results.

Immediate relief to rheumatic sufferers, and an absolute, quick, safe cure. This is now assured, for the antidote to uric acid has been

found. This antidote, moreover, is as safe as the air you breathe, yet it destroys every particle of uric acid in the blood and in every tissue, joint, muscle and part of the body.

Mrs. D. G. Hurd of Fulton, New York, says: "For 7 years I had excruciating chronic rheumatism. I had to be wheeled around in a chair. Doctors said there was no hope. I began to take 'Fuss.' The first dose acted like magic, and about 3 bottles of it cured me completely."

"Fuss" contains no cocaine, opium, morphine, chloral, ether, chloroform, alcohol, or any stimulant or narcotic. It is guaranteed safe. A wonder, too, for gout, lumbago, and kidney trouble.

"Fuss" Rheumatism Cure sold at $1.00 a bottle by all leading druggists, or will be sent prepaid on receipt of $1.05 (extra for postage) by the Fuss Remedy Co., Chicago, Ill.

Here from Brookfield.

Rev. Father J. P. Cummins of Brookfield, Mo., arrived in Maryville Monday night on a visit to his parents, Mr. and Mrs. Christopher Cummins, of South Market street, and his brothers, Dr. K. C. and T. A. Cummins, and sister, Mrs. T. W. Costello, and their families. Another sister, Mrs. I. N. Garten of Darlington, who had been visiting here since Saturday, returned home Tuesday morning.

Quickly Cures Coughs, Cold and Catarrh.

If you, dear reader, could spend an hour looking over a few of the thousands of testimonials that we have on file, you would not go on suffering from catarrh, that disgusting disease that will surely sap your vitality and weaken your entire system if allowed to continue.

You would have just as much faith in Hyomei as we have, and we have so much confidence in its wonderful curative virtue that it is sold the country over under a positive guarantee to cure catarrh, croup, sore throat, coughs and colds or money back.

No stomach dosing when you breathe Hyomei. Just pour a few drops of the liquid into the inhaler and breathe it in.

It is mighty pleasant to use; it opens up those stuffed-up nostrils in two minutes, and makes your head feel as clear as a bell in a short time.

Breathe Hyomei and kill the catarrh germs. It's the only way to cure catarrh. It's the only way to get rid of that constant hawking, snuffing and spitting.

A complete Hyomei outfit, which includes a bottle of Hyomei and a hard rubber pocket inhaler, costs $1.00 at druggists everywhere or at the Orear-Henry Drug company. If you already own a Hyomei inhaler you can get an extra bottle of Hyomei for 50 cents.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend
